Dear Charlie:

Your invoices numbered 15652 and 15653 which bill freight charges for previous invoices have been processed for payment in the amount claimed.

Upon reviewing all freight charges made to date, we noticed that invoice 12400 was billed twice as follows:

<u>Invoice No.</u>	<u>Explanation</u>	<u>Amount</u>
12400		[REDACTED]
13193	12400, 12907	[REDACTED]

25X1A1a

Will you please review your records to determine if a duplicate charge was made on invoice 13193 and adjust subsequent billings if necessary.

Yours very truly,

Doug
